Statement to Withdraw Appeal from Shoreline Hearings Board

Date: April 28, 2016

Re: SHB No. 016-001

PEOPLE FOR AN ENVIRONMENTALLY RESPONSIBLE KENMORE (PERK) has agreed to WITHDRAW their APPEAL against CITY OF KENMORE and MUNRO FAMILY LIMITED PARTNERSHIP (KENMORE AIR)

Through productive discussions and spirit of mutual collaboration with Kenmore Air, PERK has agreed to withdraw the appeal without prejudice. It is understood that this is a final action and PERK cannot reinstate their appeal.

PERK recognizes it is more important to collaborate and support the City of Kenmore's zoning decision, because of the large scale barging and disruption to sediments in the bottom of the lake, which may have both organic and inorganic contaminants of concern. It is more important for us to support and work with the City of Kenmore and Kenmore Air instead of pursuing this appeal.

Agreed by:

Elizabeth Mooney

On Behalf of Petitioner, PERK
