

YOUR HELP IS NEEDED TO SAVE SOUTH BRIER'S LAST REMAINING FOREST on STREAM 0056

The Brier City Council has approved the Sunbrook Proposal – 29 lots on 13.7 acres east of Brier Road and north of the Snohomish-King County Line.

Concerned Brier folks and PERK (People for an Environmentally Responsible Kenmore) are filing an appeal with Snohomish County Superior Court.

We are asking for your financial assistance for our legal fund in any amount you wish to share.

Our goal is to save up to 200 significant trees.

Please join us in our fight.
