CELEBRATING THE RIVERS AND STREAMS FEEDING NORTH LAKE WASHINGTON

Kayaking

A limited number will be available free, first come, first served or BYO or rent on-site from WhatsUp Paddle and Surf.

Community science

Collect sediment samples and temperature data in Lake Washington.

Water monitoring

Learn about the physical, chemical, and biological indicators of watershed health.

Salmon friendly landscape

Learn how to design a raingarden and salmon friendly landscape.

Fish printing

Identify the external parts of a fish and create a Gyo-taku print.

Look for salmon

Salmon are returning home to spawn right now! We'll share safe viewing locations.

Fly fishing demo

Participate in a hands-on fly fishing demo (2-2:30 pm) from our friends at Avid Angler.

Music and more

Enjoy music from the Old Glory String Band and other fun activities for the whole family!
